

Simplify healthcare with one distinctly different partner

The complexity of managing multiple healthcare vendors reduces your ability to consolidate data, and reduce healthcare spend – and it stands in the way of fully engaging your members. Vālenz® Health consolidates point solutions on a single platform with one dedicated team of experts for greater savings, higher efficiency and exceptional member experiences.

Eliminate point solution fatigue

Optimize cost, quality, and utilization with one partner.

Valenz Health is the destination for employers, payers, providers and members to reduce costs, improve quality, and elevate the healthcare experience. Engaging early and often, Valenz leverages its fully integrated solutions to execute across the entire member health journey – optimizing the cost, quality and utilization of care for everyone.

Our mindset and culture of innovation make us distinctly different. We exist to ensure that members and their dependents receive high-quality medical care and optimal outcomes at appropriate costs – for strong, vigorous and healthy lives.

What differentiates us:

- a fully integrated platform of solutions
- clinical guidance across all claims solutions
- a transparent, value-based integrated model

Ready to simplify with a fully integrated platform of solutions? Partner with us for smarter, better, faster healthcare. Call (866) 762-4455 or visit valenzhealth.com.
